

**REMOTE LEARNING  
RESOURCES FROM  
WOLTERS KLUWER**

At Wolters Kluwer we understand the unique challenges colleges and universities are facing due to the COVID-19 pandemic and want to support our customers as they move to a remote learning or hybrid learning environment.

**LWW Health Library**

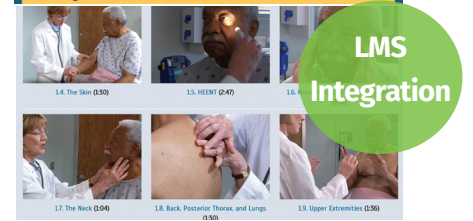

Trusted health science education and clinical content directly to students, faculty, and staff through a single online portal.

**ACLAND'S VIDEO ATLAS OF HUMAN ANATOMY®**

Realistic, yet simple, fresh-tissue, video-based anatomy that can be used when dissections/cadaver labs are not available for students. *Available with Turkish subtitles, too!*

**BATES' VISUAL GUIDE TO Physical Examination**

Delivers head-to-toe and systems-based physical examination techniques for the (Advanced) Assessment or Introduction to Clinical Medicine course. *Available with Turkish subtitles, too!*

**VISIBLE BODY®**

Complement textbook and classroom-based learning with engaging 3D interactive anatomy resources that support your teaching and learning objectives.

**gideon**

A unique resource dedicated to the detection, prevention, and education of infectious diseases.

**Plus enhanced Book Reader experience for hundreds of titles!**

Responsive Design to adapt to your device.

Improved search and navigation within a title.

Customizable text size, alignment, spacing and more.
